

## IMPORTANT DECISIONS FOR ALL INDIA RADIO

### **'GOING DIGITAL'**

The sub-group of Planning Commission has decided the action to be taken related to migration from analogue to digital terrestrial broadcasting. Member Secretary Planning Commission suggested a roadmap for migration from analog to digital domain of AIR network which is to be adopted by Prasar Bharati [AIR] as ***“Commencement of digital terrestrial broadcast in selected cities by Prasar Bharati in four steps :***

***Step-1 : in Delhi by 2010***

***Step-2 : in All Mega cities by 2011***

***Step-3 : in All Tier II & Tier III cities by 2012***

***Step-4: in all other areas by 2013.***

***The nationwide switch off of analogue broadcast by 2015”.***
